FROM : Presidential Briefing Coordinator

SUBJECT : Presidential Briefing Topic Nominations

1. In my 10 August memorandum to NIOs and Office Directors I asked you to submit nominations for briefing topics in some cases on 15 August and in others on 22 August.

2. Since then I have learned that at least two briefings in the next month will have to be canceled. Hence we have a glut of briefing topics being worked and so I cancel my request that you nominate other topics. Of course if you have a topic that you feel should definitely be prepared, please feel free to tell me at anytime.
